

## *Mission Statement*

*The mission of the Mahoning Township Fire Department is to put the safety of the communities we serve first. We are committed to serving the public, building teamwork, embracing change, and displaying a level of professionalism consistent with what is expected of the fire service.*

## *Core Values*

*Our core values guide our mission and vision while serving as the foundation from which to grow and build upon.*

*Service* – We listen to, understand, and deliver a positive impact on our community and members by placing the needs of others before self.

*Tradition* – We respect and honor those firefighters who blazed a trail by remembering the past, celebrating achievements, and building upon both for the future.

*Excellence* – We strive to achieve the highest standards of care through leadership, education, training, and innovation.

*Integrity* – We believe in personal commitment to the community and organization. Committed to honest and ethical behavior.

*Diversity* – We respect all cultures and backgrounds within the community and our organization.

## *Vision Statement*

*In the years to come, the Mahoning Township Fire Department will be a team of effective, well trained, and dependable firefighters committed to maintaining the highest level of emergency service response to our citizens. We will be respected by our community and recognized as leaders providing a model of excellence for the future of the volunteer fire service.*
