

April 25, 1988

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
Walter Elmes

Those also attending the meeting were:

Donald Hunter, Jr.
Arthur Peters
Nelson Young

The minutes of the previous meeting of April 11, 1988 were approved by the board.

Mr. Peters reported that he had reviewed the present garbage ordinance from the 1970's, and feels that it is adequate, since we are experiencing no problems. He also reported that after reviewing the township's Errors and Omissions policy, he has a few questions, and will contact our insurance carrier, H. A. Thomson, on same.

Motion was made by Mr. Elmes, seconded by Mr. Hunter, to reject all truck bids opened at last meeting and to rebid same with the specs being picked up at the secretary's office. Mr. Peters will advertise bids to be opened at next meeting of May 9, 1988.

Motion was made by Mr. Elmes, seconded by Mr. Hunter to have our Zoning Officer, Nelson Young, notify the Post Office of the new street names.

Mr. Hunter reported that all three supervisors inspected the state highways for possible road turnback. He also reported that he was present for the 1988 State Convention in Hershey, Pennsylvania, where he attended several different workshops and heard a presentation given by Vice-President Bush.

The supervisors approved the system plot plan being submitted to DER by the Mahoning Township Authority on behalf of Brittany Square for a sanitary sewer extension.

Letter was received from the Bureau of the Census requesting assistance in helping to staff a ~~field~~ operation to do the census. Another letter from the Danville Area School District's Logistic Specialist, Van Sutherland, explained that a study of two school bus stops in our district, showed they warranted "School Bus Stop Ahead" signs. Mr. Hunter assured the board that he would handle

the placing of one of the signs in our township.

Motion was made by Mr. Elmes, seconded by Mr. Hunter, that a letter be sent to Clarence D. Bell, Esquire of the Senate of Pennsylvania, stating that the supervisors are in full support of his radar legislation for local police.

Final motion was then made by Mr. Elmes, to authorize and approve the checks on the bill list of April 22 for payroll and April 25 for the bills, also included in that motion was a motion to adjourn, Mr. Hunter seconded.

Adjourned:

Christine DeLong
Township Secretary

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young
Arthur Peters

The minutes of the previous meeting of April 25, 1988 were approved by the board, and Treasurer's Report for April reflecting \$16,770.11 in receipts and \$28,461.48 in disbursements was accepted by motions of Mr. Earlston, seconded by Mr. Elmes.

Zoning Officer's report for April reflected fees collected of \$745 at a total value of \$206,500.

Police Chief Hunter read his March police report and turned in \$1,350.95 from District Justice Geiger.

In Old Business, letter was received from Timothy Karr of Village Gate stating that the necessary road work, which the supervisors requested be done during their last inspection of the Village Gate development, has been completed. Mr. Karr informed the board that the streets in the subdivision are ready to be picked up by the township. Motion was made by Mr. Earlston, seconded by Mr. Elmes to accept only the streets in Village Gate upon final inspection, acceptance of the water and sewer lines rests with the Mahoning Township Authority. The supervisors requested a letter to that effect be sent to Mr. Karr, letter should also request that he have a Deed of Dedication prepared.

Mr. Elmes reported that new truck specs were drawn up, changing the original specs from an 88 model to an 89 model, however, they would not be advertised until dealers receive their 89 price lists. Both previous bidders were notified of the situation, and were assured a new set of specs would be forwarded to them when the truck is again put out for bid.

By motion of Mr. Earlston, seconded by Mr. Elmes, the police department was authorized to purchase a new radio from Motorola, Inc., at a cost of \$3,843.00.

In new business, invitation came from the Board of Trustees, and Friends of

the Thomas Beaver Library to attend the upcoming meeting sponsored by same at the Court House, Wednesday, May 18th at 7P.M. to explore ideas for improving our library.. Mr. Earlston and Mr. Hunter plan to attend.

Letter also came from Senator Edward Helfrick advising where application forms for Pennvest, sewer and drinking water project financing, could be obtained, copy of same was given to Mahoning Township Water & Sewer Authority.

Motion was made by Mr. Elmes, seconded by Mr. Earlston to place a $\frac{1}{4}$ page ad in the Festival of Stars booklet for the Danville High School band.

It was requested that letter be sent to PennDot in both their Montoursville and Bloomsburg offices advising them of the new street names, permission was also granted to purchase new street signs displaying those names, by motions of Mr. Earlston and Mr. Elmes.

Mr. Hunter requested that a Traffic Engineering Study be done on Line Street, so that a speed restriction could eventually be posted there. Mr. Hunter also informed the board that he had received a complaint of raw sewage running from a drainage ditch on Powder Mill Road. Sewage Enforcement Officer, Joseph Kistner is monitoring the problem.

The supervisors agreed to start preparing specs for a new furnace for the township municipal building.

Motion was made by Mr. Elmes, seconded by Mr. Earlston to authorize and approve checks on checklists of May 6th for payroll and May 9th for the bills, included in that motion was a motion to adjourn.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
William Earlston
Walter Elmes

Those also attending the meeting:

Donald Hunter, Jr.
Nelson Young

The minutes of the previous meeting of May 9, 1988 were approved by the board.

Under Old Business, letter was received from SEDA - Council of Governments approving the CDBG providing funding for the Ridgeville, Mahoning and Cooper Townships sewer extension project. William Seigel, Coordinator requested in his letter that a meeting of all the township supervisors be set up to discuss the project. Meeting was set for June 1, 1988 at 5:30 P.M. at the township municipal building, if everyone is in agreement.

Chief Hunter reported that the Police Department will be attending a training seminar from 8 A.M. to 5 P.M. on May 26, 1988 at the Thomas Beaver Library. The training is provided thru a grant from the Pennsylvania Police Education and Training Commission.

Due to the absence of our solicitor, the Line Street ordinance was not presented to the board tonight, however, in the meantime, Mr. Elmes and Chief Hunter will conduct a survey on Line Street for our records.

Mahoning Township Authority requested in a letter to the supervisors that an ordinance be adopted stating, no excavation for building will occur until sewer and water lines are located, and Sewer and water permits must be obtained before the zoning or building permit is issued. The matter was tabled until next meeting, when our solicitor will be present to handle the matter.

Letter was presented from Montour Township Supervisors thanking our police department for their aid in apprehending the persons involved the burglary at Howell's TV & Appliances on April 12, 1988.

The supervisors set a meeting for May 31, 1988 at 11 A.M. so that they could review the installation of a drain pipe on Lower Street, and look at what could be done to upgrade the dirt road into the Hess property. This property is owned by Danville Borough, but is located in the township.

Mr. Earlston and Mr. Hunter reported that they had attended a very informative meeting on the library. Indicated at that meeting was a pressing need for funds in the future, to which our supervisors were in favor of adding to our 1989 budget.

Motion was made by Mr. Elmes to authorize and approve checks on the bill lists of May 20, 1988 for Payroll and May 23, 1988 for the bills, and also to adjourn, motion was seconded by Mr. Earlston.

June 13, 1988

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Nelson Young, Zoning Officer
Arthur Peters, Solicitor
Terry Gearhart
Jim Lewis

The minutes of the previous meeting of May 23, 1988 were approved by the board. Treasurer's Report reflecting \$151,662.49 in receipts and \$31,589.84 in disbursements was also approved by motions of Mr. Elmes, seconded by Mr. Earlston.

Zoning Officer's report for May reflected \$210,550 as the total value of permits issued and fees collected of \$429. Letter was received by Nelson Young from Porter Welding Supply in Williamsport, Pennsylvania, stating that they had purchased property from Philip and Mary Gardella at 1417 Bloom Road, on which they have plans to construct a car wash, which would be part of a chain known as "California Car Care". Mr. Young advised the supervisors that a car wash of this nature does not comply with Article XI - Commercial Apartment District, and said that he would advise Porter Welding Supply that their plans have been rejected.

By motions of Mr. Earlston, seconded by Mr. Elmes the supervisors instructed the solicitor to advertise for adoption at next meeting and ordinance for Line Street, which would concur with Danville Borough's ordinance, and would set the speed limit at 15 miles per hour and make line Street one way north from Bloom Road.

Bids were opened at 6:45 for a new gas furnace. Those received were as follows:

1. James Coombs	\$14,693.00
2. John Jordan	\$13,216.00

By motions of Mr. Elmes, seconded by Mr. Earlston the supervisors decided to take the bids under advisement to award at next meeting.

Concerned citizens, Terry Gearhart and Jim Lewis, both of Bloom Road, asked that something be done on Villa Street, where the stop sign and speed limit signs are ignored by motorists. The supervisors assured them that they would try and resolve the matter.

The sewer extension project between Mahoning and Cooper Township's is on hold until July 8, 1988, at which time Cooper Township must decide whether or not they want to go along with Mahoning Township Authority on the project.

It was the decision of the board not to take over the road into the Hess property, owned by Danville Borough, but located in the township, since the road needs extensive work, which we currently have no funding available for, since this project was not included in this years budget.

By motions of Mr. Earlston, seconded Mr. Elmes it was decided that the township's used oil would be disposed of thru a company at a cost to the township of .20 per gallon.

Request came from Mrs. Larry Frey of Lower Street to have the township road crew replace a drain pipe on her property. It was the position of the board and also the zoning officer, that the pipe is the responsibility of the property owner.

Mahoning Township Authority requested that work be done by the township street department at the Evergreen Pointe well site at an approximate cost of \$2,846, which would come off the fire hydrant monies owed to the Authority. By motion, of Mr. Earlston, seconded by Mr. Elmes, the work was approved.

Motion was then made by Mr. Elmes, seconded by Mr. Earlston to authorize and approve the checks on bill lists of June 3, 1988 for Payroll and June 13, 1988 for the bills. Mr. Elmes then also motioned to adjourn, to which Mr. Earlston seconded.

June 27, 1988

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Nelson Young, Zoning Officer
Donald Hunter, Jr., Chief of Police
Arthur Peters, Solicitor
Dr. James Curtis, Thomas Beaver Free Library

The minutes of the previous meeting of June 13, 1988 were approved by the board.

Dr. Curtis, representing the Thomas Beaver Free Library, made an appeal to the supervisors to include in their next year's budget, a substantial increase in their donation to the library, as the library is currently operating with a deficit budget. Motion was made by Mr. Earlston, seconded by Mr. Elmes to contribute \$1,000 in 1989.

Under Old Business, motion was made by Mr. Earlston, seconded by Mr. Elmes to adopt an ordinance establishing a fifteen mile per hour speed limit on Line Street and also establishing Line Street as a one way.

A decision was delayed on the Mahoning Township Authority's request for the supervisors to adopt a resolution that would require water and sewer permits be obtained before a building permit would be issued. Since the authority's business hours do not coincide with the Zoning Officer's hours, Mr. Young felt that there would be a conflict. Mr. Elmes, liason to the Water and Sewer Authority will further discuss this matter with the Authority board.

The Deed of Dedication, dedicating the streets in Village Gate to the township was agreed to be signed by the supervisors, once our solicitor prepares a resolution accepting the Deed of Dedication, this was done by motion of Mr. Earlston, seconded by Mr. Elmes.

Nelson Young reported that a variance was granted by the Zoning Hearing Board on June 20, 1988 to Howard and Helen Gething to construct a rear porch and doorway, their original request was denied by Mr. Young because of the intrusion into the rear yard set back requirements.

Chief of Police, Donald Hunter, Jr. gave his police reports for April and May,

along with his report, he turned in monies from the District Magistrate in the amount of \$837.90 for April and \$1,179.50 for May.

The bid on the installation of the new gas fired boiler/burner for the township municipal building, was awarded to the low bidder, John Jordan Plumbing, Heating and Air Conditioning.

The board approved the removal of the police radio from the old blue police car to the white car.

No new business was transacted, as there was none.

Mr. Elmes motioned to authorize and approve checks on the bill lists of June 17, 1988 for payroll, and June 27, 1988 for the bills, Mr. Earlston seconded.

Mr. Elmes then motioned to adjourn to which Mr. Earlston seconded.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Walter Elmes

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young
Arthur Peters

The minutes of the previous meeting of June 27, 1988 were approved by the board, and the Treasurer's report for June, reflecting \$11,119.93 in receipts, and \$26,813.61 in disbursements was accepted by motions of Mr. Earlston, seconded by Mr. Elmes.

Zoning Officer, Nelson Young, reported zoning permit fees for June of \$579.50 at a total value of \$460,000. He also reported that the Planning Commission met at 5 P.M. this same evening and approved the Millwood subdivision, off Red Lane, approval was given subject to obtaining a road occupancy permit and written approval from Soil Conservation and the Mahoning Township Water & Sewer Authority. Plans were also discussed for Woodbine Place, off Woodbine Lane, which is in the preliminary stages, no action was required at this time by the supervisors. Mr. Young also requested the supervisors sign a plan, which was approved September 28, 1987, but was never signed.

Under Old Business, Mr. Earlston reported that the Street Department workers themselves switched the radios from one police car to the other at a savings of approximately \$370.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to approve the resolution and accept the Deed of Dedication for the streets in Village Gate, those being Wodenshire and Cotswold.

Motion was made by Mr. Elmes, seconded by Mr. Earlston to adopt a resolution, at the request of the Mahoning Township Authority, which states that water and/or sewer permits must be obtained before a building permit can be issued.

Mr. Elmes motioned to advertise for adoption at next meeting an ordinance re-

stricting parking on the eastern side of Line Street commencing 200 feet north of the intersection of Bloom Road and Line Street, and extending along Line Street a total distance of 133 feet from the point of commencement. Mr. Earlston seconded.

Mr. Hunter reported that the Street Department completed erecting all of the new street signs throughout the township, and have also completed work for the authority at the Evergreen Pointe well site.

There was nothing under new business at tonight's meeting .

Directly after their formal meeting, the supervisors agreed to meet and try and resolve a water problem on Diehl Street.

Motion was made by Mr. Elmes to authorize and approve the checks on the bill lists of July 1, 1988 for payroll and July 11, 1988 for the bills, and also to adjourn, Mr. Earlston seconded.

July 25, 1988

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Donald Hunter, Jr.
Arthur Peters
Nelson Young
Henry Eyer, Jr., Fire Chief
Betsy Hack
Paula Noll
James Barbarich
Robert Foust

The minutes of the previous meeting of July 11, 1988 were approved by the board.

Henry Eyer, Jr., Fire Chief representing Rescue Chemical Company requested that a repair bill be paid from the township Fire Fund for Rescue's 1976 International tanker, which is out of service and needs its engine rebuilt. Two bids were received, bids included prices both with and without a good core, which will not be known until the engine has been taken apart and sent back to the manufacturer. The first was from Ron's Auto Service in Grovania at \$4,161.36 with a good core, with an additional charge of \$595 if the core is bad. The second from Valley Truck Repair at \$3,962.42 with a good core, with an additional charge of \$600 if the core is bad. Motion was made by Mr. Elmes, seconded by Mr. Earlston to have the work done by the low bidder, Valley Truck Repair, with the stipulation that the core is good.

Betsy Hack and Paula Noll questioned the supervisors as to what could be done to divert storm water run-off from their properties on Jade Avenue and Maple Street. Mr. Hunter informed them that he had seen the problem during heavy storms, and he felt the problem comes from the shoulder being too high. The solution according to Mr. Hunter would be to lower the shoulder and re-contour a neighbor, Mr. Yeager's driveway to allow passage of the water into the catch basin. As it is now the water goes past the catch basin. The supervisors agreed to check with the Yeagers about the possible solution.

Under Old Business, letter was received from Penn Dot stating that they are issuing Permit #W10-033 for the Stop Ahead Warning Devices at S.R. 2010 (Red Lane) for Geisinger Medical Center. They further state in their letter that the devices are in place and are operating correctly. Mr. Hunter stated that two areas need to be corrected, concerning these signs, and he instructed the secretary to send a letter addressing these problems to Walter Shultz of G.M.C. The first problem is an electrical wire coming from one of the signs above the ground.

The second problem is that the signs are not fastened securely. It is the opinion of the supervisors, and has also been indicated by Penn Dot, that the wire should be rerouted underground, and the signs secured in place, so that no hazardous conditions exist. Motion was made by Mr. Earlston, seconded by Mr. Elmes to draft and send a letter to G.M.C. addressing these issues.

Mr. Young, Zoning Officer, reported that letter was received from Montour County Soil Conservation on the Millwood Subdivision stating that at their meeting on July 18, 1988 they found that the plans for Millwood must have changes made to construction procedure. Once the developer makes the necessary changes, the plans will be submitted to the supervisors for their approval. Mr. Hunter questioned the water run-off from the development, and Mr. Young informed him that the run-off plans are adequate.

Police Chief Donald Hunter, Jr. thanked the board for allowing him to attend the 75th Pennsylvania Police Chief's Conference. He said he found the conference both educational and informative.

Mr. Peters reported that the Deed of Dedication for the streets in Village Gate had been recorded in the court house at the expense of the developer.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to adopt an ordinance restricting parking on the eastern side of Line Street two hundred feet north of the intersection of Bloom Road and Line Street and extending along Line Street a total distance of 133 feet from the point of commencement.

Under new business, letter from House of Representatives member, Robert Flick asked for the supervisors support of two bills up for consideration in September. The first House Bill 1405 would increase liability protection for volunteers and non-profit organizations involved in public service. The second House Bill 802 would guarantee to municipalities and school districts the same liability protection as private landowners when they allow the free use of their land for sports programs, playground activities and other recreational purposes. Motion was made by Mr. Elmes, seconded by Mr. Earlston to send a letter in support of these bills.

Letter came from Ken Smith, along with a signed petition from residents and property owners who have access to the alley between Poplar Street and Pleasant Court, requesting that the township assume responsibility for the maintenance of the alley. Mr. Peters will review the matter for the next regular meeting.

William Sidler, Project Manager for Buchart Horn, Inc. sent a letter to the supervisors dealing with Valley Township Act 537 Plan, which proposes to convey Valley Township wastewater to Danville for treatment, and must pass thru Mahoning Township in order to do so. Attached to their letter was a resolution, which they requested the supervisors sign to assist in insuring implementation of the Plan and assure D.E.R. that all parties are in agreement. Copy of the letter and resolution were given to Attorney Peters for his perusal before the next regular meeting. Copy will also be given to the Mahoning Township Water and Sewer Authority.

The next letter came from Elsie Bandaruk concerning a water run-off problem from the Frosty Valley Country Club on to her property. The supervisors and Zoning Officer will review the problem. Mr. Young has also contacted Tammy Welliver of Montour County Soil Conservation, who will also check into the problem. Mr. Hunter requested that Mr. Young also contact Tom Evans, manager of the Frosty Valley, and report the complaint to him so that he is aware of the situation.

Another letter also came from Cindy Shumaker Kessler of Village Gate concerning a water run-off problem on her property and into her basement. The former owners David and Barbara Mensch had the same problem with water run-off, and Mr. Karr was instructed to install a Type "A" ditch, the ditch has slowly built up to a depth, at its deepest point, of 9 inches, and according to the Village Gate plans the ditch should be 1½ feet. Mr. Hunter requested that a letter be sent to Mr. Karr asking him to have the problem corrected.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to send the police chief to a Crime Prevention seminar in Harrisburg in October.

Mr. Hunter then requested that a letter be sent to the county requesting that they erect stop signs at the intersection of Circle Drive and Woodbine Lane as the traffic flow has become heavier with the growth of new industry.

Resolved, and it is hereby resolved, that after the review of the actuarial reports of the Mahoning Township Police Pension Fund the supervisors agreed that the pension fund is financially sound, and that no officers contributions are required and are hereby waived for 1986, 1987 and 1988.

Motion was made by Mr. Elmes to authorize and approve the checks on bill lists of July 15, 1988 for Payroll and July 25, 1988 for the bills, Mr. Earlston seconded the motion.

Motion was then made to adjourn by Mr. Elmes, seconded by Mr. Earlston.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Nelson Young
Donald Hunter, Jr.
Robert Foust

The minutes of the previous meeting of July 25, 1988 were approved by the board, and the Treasurer's Report reflecting \$19,556.07 in receipts and \$40,817.25 in disbursements for the month of July was accepted by motions of Mr. Earlston, seconded by Mr. Elmes.

Zoning Officer, Nelson Young reported fees collected for July in the amount of \$367.50 at a total value of \$253,000.

Donald Hunter, Jr., Chief of Police read his police report for June and turned in check from District Justice Geiger in the amount of \$1,595.50 for the month of June. He also mentioned that the department continues to have a stalling out problem with the new police car, and it was suggested that the police try various unleaded high octane gasoline to help alleviate the problem.

Letter was received from Walter Shultz of Geisinger assuring the board that the problems with the warning devices on Red Lane have been corrected. Letter was then read from Tom Kiniry of Pennsylvania Power and Light Company requesting that the township convert it's street lights to high pressure sodium lights at no cost to the township. He explained in his letter that the high pressure lights would give 30% more light than our existing system, and would save the township approximately \$200 a year based on current rates. Motion was made by Mr. Elmes, seconded by Mr. Earlston to send a letter approving the conversion.

Another letter was also received from Betsy Hack of the Planning Commission regarding the Millwood Subdivision. Mrs. Hack is concerned with storm water run-off and she questioned the run off calculations, to which Mr. Young explained that the plans are based on a fifty year rainfall, however, the detention basin is based on a one hundred year rainfall, which increases it's storage facility over the normal. The outlet pipe from the detention basin is based on a ten year rainfall. Mr. Young advised further that he would send Mrs. Hack a letter explaining the situation.

Since we have not heard anything as yet from Penn Dot, Mr. Hunter requested that they be contacted to inquire whether they feel permission should be granted to P. P. & L. to install a street light at the intersection of Bald Top Road and Route 11.

Mr. Hunter also reported that at the present time the Street Department employees are working on correcting the various water run-off problems throughout the township.

Under New Business, letter came from State Representative Ted Stuban assuring the supervisors of his support for House Bills 1405 and 802, which the supervisors also support.

Mr. Hunter addressed complaints he has received from several township residents, the first was a request that something be done about all the cats running loose throughout the township. The second request was that something be done about people walking dogs and allowing same to relieve themselves on other peoples lawns. The supervisors decided that at this time a notice should be placed in the paper asking that people be more responsible for their pets.

Motion was made by Mr. Elmes, seconded by Mr. Earlston to authorize and approve checks on checklists of July 29, 1988 for payroll and August 8, 1988 for the bills, also included in his motion was a motion to adjourn.

August 22, 1988

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Walter Elmes

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young
Arthur Peters

The minutes of the previous meeting of August 8, 1988 were approved by the board.

Zoning Officer, Nelson Young reported that the Planning Commission had met this evening and approved the Lewis Lee subdivision and transfer of 1.19 acres to Donald T. Gunther. They also approved the change of lot lines on the Hultziser tract, the supervisors also approved both plans.

Donald Hunter, Jr. Chief of Police, gave his July police report, and turned in monies from District Justice Geiger for July in the amount of \$2,573.60.

Letter was received from PennDot approving the installation of a street light at the intersection of Bald Top Road and Route 11. Mr. Hunter informed the board that he had spoken with both PennDot and P.P. & L. and all were in agreement with placing the light in a spot chosen by P. P. & L.

Letters also came from Representative Merle Phillips and Senator Helfrick thanking the supervisors for their letters in support of House Bills 1405 and 802. Both said that they would give the bills their full attention when they came before the Senate for a vote.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to instruct the solicitor to advertise for bids for a 1989 truck and a 1989 police car, bid specs to be picked up at the office of the township secretary, and bids to be opened at their next regular meeting.

Under New Business, letter came from John Whitehead of DER approving Component I Planning Module for the Myers subdivision.

Mr. Elmes informed the board that he had received several complaints from people about the intersection of Academy Avenue and Bloom Road. Traffic approaching the traffic light from the Geisinger parking lot and making a right turn on red created a danger to east and west traffic. Mr. Elmes felt that a "No Turn on Red" sign may alleviate the problem. The secretary was instructed to contact Beck Electric about the green arrow not coming on, and also to write a letter to PennDot

and ask that a survey be done of the intersection to see what could be done to resolve the problem.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to have our exsisting telephone system changed to a more efficient one, which would tie the police department and the township building in together.

Mr. Peters then joined the meeting, after leaving an authority meeting, which was being held upstairs. He presented a contract, from P. P. & L. on the installation of high pressure sodium street lights, to the supervisors for their signatures. Mr. Peters inserted several items into the standard contract, and the supervisors initialled the inserts. Since the contract states that the township must request tree trimming around the lamps, Mr. Peters said that it would be a good idea to do periodic checks of the lights, so that P. P. & L. could be contacted when the trimming is necessary. Motion was made by Mr. Earlston, seconded by Mr. Elmes passing the resolution for the changing of the lights to the high pressure sodium lamps.

Motion was made by Mr. Elmes, seconded by Mr. Earlston instructing the solicitor to advertise for adoption at the next meeting an ordinance restricting parking on the western and eastern sides of Powder Mill Road commencing at the intersection of Powder Mill Road and Red Lane and extending northerly along Powder Mill Road a distance of 589 feet from the point of commencement.

Meeting was set for Thursday, August 25, 1988 at 10:00 AM for the supervisors to check on two water run-off problems.

Motion was made by Mr. Elmes, seconded by Mr. Earlston to authorize and approve the checks on the bill lists of August 12, 1988 for payroll and August 22, 1988 for the bills, included in his motion was a motion to adjourn.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Nelson Young
Jack Metzger
Charles Wagner

The minutes of the previous meeting of August 22, 1988 were approved by the board. Treasurer's Report reflecting \$58,724.09 in receipts and \$27,830.38 in disbursements was accepted by motions of Mr. Elmes, seconded by Mr. Earlston.

Zoning Officer's report reflected value of permits issued for August of \$65,150 with a total fees collected of \$98. Mr. Young reported that the Planning Commission had met this evening at 5:30 P.M. and approved the transfer of .69 acres of land from Thomas Herman to Gene Cavanaugh. Transfer was also approved by the supervisors.

Under Old Business, letter was received from State Representative Robert Belfanti, Jr. thanking the board for their concern for House Bills 1405 and 802. Letter also came from DER stating that they had reviewed the planning modules for the Millwood Development, and that they had determined that adequate conveyance and treatment capacity exists to accommodate the proposal.

By motions of Mr. Earlston, seconded by Mr. Elmes, the supervisors adopted an ordinance restricting parking on the western and eastern sides of Powder Mill Road commencing at the intersection of Powder Mill Road and Red Lane and extending northerly along Powder Mill Road a distance of 589 feet from the point of commencement.

Mr. Hunter reported that the new furnace for the township building was delivered today and would, perhaps, be in operation by the end of the week. He also reported that the street department are in the process of installing a new roof on the police station. He noted, too, that the street light at the intersection of Bald Top Road and Route 11 is in operation, and at the present time, some trees are blocking it. The board agreed to have the street department remove the trees.

After reviewing the actuarial reports for the police and non-uniform pension plan, which were prepared by the secretary, the board instructed her to submit same to

the Pennsylvania Municipal Retirement System.

At 6:40 bids were opened for a new 1989 pick-up truck. Two bids were received, the first from Hawkins Chevrolet at \$17,332.73, the second from Metzer Ford at \$17,489. By motion of Mr. Elmes, seconded by Mr. Earlston the bids were taken under advisement to be awarded at a special meeting to be held by the supervisors Thursday, September 15, 1988 at 9 A.M. for the sole purpose of making the final decision on awarding the bids.

At 6:45 bids were opened on a new 1989 Police cruiser. Two bids were received, the first from Metzer Ford at \$14,493. The second from Hawkins Chevrolet at \$14,374.90. By motions of Mr. Elmes, seconded by Mr. Earlston these bids were also taken under advisement to be awarded at the special meeting.

The secretary informed the board of several upcoming seminars sponsored by DCA. Motion was made by Mr. Earlston, seconded by Mr. Elmes to have Mr. Hunter attend the Wetlands Workshop.

The supervisors received a request for their assistance from a number of township residents regarding postal service to rural mailboxes. The area in question is zoned residential single family suburban. One resident, Charles Wagner, after having received detailed instructions from the Danville Post Office for the location and installation of his mailbox, complied, only to receive further instructions that he relocate his mailbox on the opposite side of the street. Mr. Young and Mr. Hunter reviewed the situation and made on site inspections, and feel that the requirements of the postal service are not necessary. The supervisors asked that the secretary draft a letter to Congressman Paul Kanjorski for his assistance with this matter.

Mr. Hunter then reported that he and Mr. Earlston met on Friday, September 9, 1988 at 10:30 A.M. with Mr. Leutze of Penn Dot to discuss the traffic operations at the intersection of Bloom Road and Academy Avenue. At this time, it was felt the incidents occurring at the intersection should be recorded and that the problem should be closely monitored.

Motion was made by Mr. Elmes to authorize and approve the checks on the bill lists of August 26th and September 9, 1988 for payroll and September 12, 1988 for the bills, also included in his motion was a motion to adjourn, Mr. Earlston seconded.

A special meeting of the Mahoning Township Supervisors was held this morning at the township municipal building at 9:00 AM.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

The bids received from Hawkins Chevrolet and Metzger Ford for both the 1989 police cruiser and the 1989 pick-up truck were thoroughly gone over by the board.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to award the bid for the police car to Hawkins Chevrolet at a net delivered price of \$14,374.90, this price being the lower of the two bids received.

Motion was then made by Mr. Elmes, seconded by Mr. Earlston to award the bid for the pick-up truck to Hawkins Chevrolet at a net delivered price of \$17,332.73, which again was the lower of the two bids received.

The board then agreed to have a stop sign erected at the intersection of Lower and Middle Streets as the area is heavily travelled by Geisinger employees. They will ask our solicitor at their next regular meeting to prepare the necessary ordinance establishing this as a stop intersection.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston

Those also attending the meeting were:

Nelson Young
Donald Hunter, Jr.
Thomas Mertz

The minutes of the previous meeting of September 12, 1988 were approved by the board.

Donald Hunter, Jr. gave his August police report, and turned in report from the District Magistrate in the amount of \$470.

Zoning Officer, Nelson Young reported that he had received a complaint about vehicles being abandoned at a property along Toby Run. He requested permission to write the owner of the property, who lives in Feasterville, Pennsylvania, and request that he have the vehicles removed, the supervisors agreed to have a letter sent to the property owner. Mr. Young also requested that the supervisors allow him to close his office on Tuesday morning due to a death in his family, to which the supervisors also agreed.

Mr. Young then informed the board that the Montour County Commissioners plan to tear down and rebuild the County Home on Woodbine Lane, which would require a building permit, however, he requested that the permit fee be waived for the County, and by motions of Mr. Earlston, seconded by Mr. Hunter the permit fees were waived.

Letter came from Congressman Paul Kanjorski in reply to our letter to him concerning the postal problem some of our residents are experiencing. He states that he has sent appropriate correspondence to the proper official at the Postal Service to call attention to this matter, and is waiting for a response to his inquiry.

At the same time, correspondence came from Senator Arlen Spector's office on the same matter. Senator Spector's office received a reply from the Danville Postmaster, Robert C. Roberts, stating that the Danville Post Office is complying with the Postal Regulations (copy of which was attached), and for economy and safety of the carrier, they will be making only one circle in the respective area, and will be serving any and all boxes that are located on the carrier's line of travel. The letter further stated that the supervisors did not consult

with the management of the Danville Post Office as to why this change had become necessary, to which the supervisors took exception to, as they, and Nelson Young, as liason, had made several attempts to consult with the Post Office, but received a negative response. Mr. Hunter requested the secretary draft a letter to that effect to both Mr. Roberts, Postmaster, and Senator Spector.

Under Old Business, Mr. Peters reported that he had received, from Timberwood's attorney, George Wagner, one draft of one section of roadway in the Timberwood Development, to be deeded over to the township, however, he is waiting for the draft of the other section to be prepared, when that has been received, same will be presented to the supervisors for their approval.

By motions of Mr. Earlston, and Mr. Hunter that supervisors passed a resolution dealing with the Update of Act 537 Plan, Valley Township, which recommends construction of a wastewater collection system and interceptor to the Waste Water Treatment Plant of the Borough of Danville. The resolution approves Valley Township locating certain sections of their proposed wastewater interceptor across lands of Mahoning Township, and approves the township submitting the report to the Department of Environmental Resources, subject to all matters being mutually resolved between Valley Township, Mahoning Township and the Borough of Danville, and being set forth in an intermunicipal agreement. It further states that said intermunicipal agreement must be executed by all parties prior to Valley Township being permitted to construct the said interceptor.

By motions of Mr. Earlston, seconded by Mr. Hunter, the supervisors instructed Mr. Peters to advertise with intent to adopt at their next regular meeting, an ordinance establishing a stop intersection at the intersection of Lower and Middle Streets.

Tom Mertz of the Mahoning Township Water & Sewer Authority requested that Section 603, page 29, of the Mahoning Township Land Subdivision Ordinance, dealing with water and sewer systems, be changed, so that both sections on water and sewer read exactly the same. He said that it is the request of the Authority, on the advice of their solicitor, that the change be made. Mr. Young said that the change could be done by resolution, and the supervisors requested that Mr. Peters review the entire ordinance for any other changes that may also be necessary.

Under New Business, seminar sponsored by Pennsylvania State Association of Township Supervisors and the Department of Community Affairs, will be held October 17, 1988 in Carlisle, PA, Mr. Hunter may attend this Roadmaster's Workshop.

Mr. Earlston reported that bids were received on a bar light for the new police car. The low bidder was Pennsylvania Emergency Supply at \$1,165.00 and motion was made by Mr. Earlston, seconded by Mr. Hunter to purchase the light from same.

Mr. Hunter reported that at present the Street Department are installing a sewer line, and when that is completed, they will start their tar and chip program, which will run for several weeks.

Motion was made by Mr. Earlston, seconded by Mr. Hunter to authorize and approve checks on the bill lists of September 23, 1988 for payroll and September 26, 1988

for the bills. Motion was made by Mr. Earlston, seconded by Mr. Hunter to adjourn.

Adjourned:

October 10, 1988

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston

Those also attending the meeting were:

Nelson Young, Zoning Officer
Arthur Peters, Solicitor

The minutes of the previous meeting of September 26, 1988 were approved by the board and the Treasurer's report reflecting \$6,311.12 in receipts, \$44,233.55 in disbursements and \$1,795.75 in interest for the month of September was also accepted by motions of Mr. Earlston, seconded by Mr. Hunter.

Zoning Officer, Nelson Young gave his September report reflecting value of permits issued at \$11,518,000 and total fees collected of \$12,553. He also informed the board that the Planning Commission met on Friday, October 7, 1988 and approved lot line changes for Keiter Development Section C Lot #10, and they recommend that the supervisors also approve the change, which they did

Under Old Business, Mr. Peters informed the board that the proper documents had been sent to Penn Dot in order to have the streets in Village Gate added to the township mileage records.

Mr. Peters then requested that contact be made with Liberty Township and surveyor, Peter Uhl to start a survey on the Mahoning/Liberty Township line.

By motions of Mr. Earlston, seconded by Mr. Hunter ordinance was passed establishing a stop intersection at the intersection of Lower and Middle Streets.

Road Inspection was set for Saturday, October 22, 1988 at 8:00 A.M.

Mr. Hunter reported that he had attended the Wetlands seminar in Wilkes-Barre and found it to be quite interesting. He requested that our solicitor draw up an ordinance which would help enforce the protection of any wetland areas throughout our township.

The supervisors then passed a resolution by motions of Mr. Earlston, seconded by Mr. Hunter, which will assist in securing passage of comprehensive local tax reform.

Request for payment came from Jordan's Plumbing for the installation of the new furnace for the township municipal building. Check will be drawn and payment will be released to Jordan Plumbing upon receipt of the manufacturer's guarantee and Jordan's own written guarantee on the furnace.

Leaf collection was set for Mondays and Fridays from 1 P.M. to 3:30 P.M. commencing this Friday, October 14, 1988 running up to and including November 18, 1988.

Motion was made to authorize and approve the checks on the bill lists of October 7, 1988 for payroll and October 10, 1988 for the bills, and also to adjourn, by Mr. Earlston, Mr. Hunter seconded.

Adjourned:

Christine DeLong
Township Secretary

Personel Matters:

It was decided by the supervisors that a 26 cent/ per hour increase be given to the secretary. The increase would be retroactive to her two year anniversary date, that being September 29, 1988.

It was also decided that Christmas holidays for the township employees for 1988 would include Friday December 23, 1988 and Monday, December 26, 1988.

Authorized & Approved by:

October 24, 1988

The regular meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Nelson Young
Arthur Peters

The minutes of the previous meeting of October 10, 1988 were approved by the board.

Under correspondence letter came from Montour County Commissioners thanking the supervisors and Nelson Young for waiving the building permit fee and for being so accomodating to them during the rebuilding process of the County Home.

Letter was also received from the United States Postal Service addressed to Congressman Paul Kanjorski, the letter basically states that in accordance with their delivery regulations, rural mail receptacles must be placed on the right hand side of the road in the carriers line of travel, so that they may be safely and conveniently served by the carriers without leaving their vehicles.

Letter also came from John Birth, Secretary of the Montour County Township Officials Association, informing the board of the upcoming convention to be held at the Montour-DeLong fair building, November 15, 1988 at 6:00 P.M. Motion was made by Mr. Elmes, seconded by Mr. Earlston to take out a $\frac{1}{2}$ page ad in the convention booklet, as has been done in past years.

Motion was made by Mr. Elmes, seconded by Mr. Earlston that anyone who wishes to attend a DCA sponsored seminar on Dealing with the Angry Public, be able to attend.

In the absence of Police Chief Hunter, the secretary read the September police report and turned in report from District Justice Geiger in the amount of \$1,797.50.

Under Old Business, Mr. Peters informed the board that the two streets in Village Gate, Wodenshire and Cotswold, had been turned over to Penn Dot, were processed and will be listed with the other streets in the township for liquid fuel purposes.

Mr. Peters then read a commitment letter he received from the solicitor of Liberty Township, Robert Buehner, stating that the Liberty Township Supervisors will share in the cost of a survey, to be done by Peter Uhl, to define the line between Liberty & Mahoning Township.

Mr. Peters explained to the board that he had received the surveys on two tracts

of roadway for the Timberwood Development, however, there is a discrepancy in the survey, and he needs more time to go over same before the Deeds of Dedication can be presented to the supervisors.

On a request that came several meetings earlier, that the supervisors maintain the alley between Poplar and Pleasant Streets, Mr. Peters informed the board that only four property owners and one tenant adjoining the alley, signed the petition, five other property owners, also adjoin the alley, and he feels that consent should also come from those property owners.

The supervisors gave their approval for Mrs. Fracalossi to serve coffee at the township municipal building on election day to benefit the library, she is aware of the rule that she must be ten (10) feet away from the polling place.

Mr. Hunter reported that Road Inspection was held Saturday, October 22, 1988, and that the findings during inspection will effect the work to be done by the Street Department come spring. He also said that the new furnace has been installed at the township building and is working well.

Mr. Hunter then informed the board that he had been contacted by Cindy Shuman (Kessler), who said that she is still experiencing water run-off problems at her property in Village Gate. Mr. Karr has been previously contacted by the supervisors and asked to install a swale, which is part of the original soil control and sedimentation plan, however, he has not done this, and as the developer is responsible for his development.

A problem was brought to the attention of the board with parking at the Mahoning Cooper Elementary School during school activities. Neighbors are upset as vehicles are parked illegally along Meadow Avenue, sometimes blocking one lane of travel and private driveways. Mr. Hunter said that he feels the school administration should provide off street parking.

By motion of Mr. Earlston, seconded by Mr. Elmes it was decided that 20% of the liquid fuels money would be used to help pay for the new street department truck.

Budget meeting was set for November 2, 1988 at 9:00 A.M.

Request came from the owner of a business on Reedy Street that the supervisors propose an ordinance excluding tractor trailer combinations from using Reedy Street as they cause damage to the street. Mr. Peters said that tractor trailers are usually restricted by weight, and he would look into same, and would prepare something for the next regular meeting.

Request came from Mahoning Township Authority to have the supervisors enforce an ordinance stating that any township resident that is within 150 feet of a sewer hook up, must hook on to the sewer system. It is the responsibility of the township to enforce the existing ordinance.

Motion was made to authorize and approve checks on the bill lists of October 21, 1988 for payroll and October 24, 1988 for the bills, and also to adjourn, motion

came from Mr. Elmes and was seconded by Mr. Earlston.

November 14, 1988

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young
James Barbarich & Son

The minutes of the previous meeting of October 24, 1988 were approved by the board, and the Treasurer's Report for October 1988 reflecting \$ 37,793.32 in receipts and \$55,330.19 in disbursements was accepted by motions of Mr. Elmes, seconded by Mr. Earlston.

Mr. Young's Zoning Report for October 1988 reflected total value of permits issued of \$411,890 and fees collected of \$717.50. He reported that the Planning Commission had met November 7, 1988 and approved lot line changes on the Millwood sub-division, the supervisors also approved the changes. Planning Commission also met this evening on Mahoning Terrace Apartment & Shopping Center Complex, however, no soil erosion and sediment control plan was available. They did however, accept the transfer of a tract of land from Randy May to Mahoning Township Municipal Authority. Approval was given tentatively until a complete review of the plan could be done by the township zoning officer.

Under Old Business, Mr. Elmes mentioned that the township's annual leaf collection will end this Friday, November 18, 1988.

Letters came from the Thomas Beaver Free Library, thanking the township supervisors for their \$150 donation, from Karen Miller, Secretary of Community Affairs, thanking the supervisors for their resolution in support of timely enactment of Comprehensive Local Tax Reform in Pennsylvania, and from Timothy Karr, Developer of the Village Gate sub-division, stating that he plans to do nothing as far as the water run-off problem some residents of Village Gate are experiencing, this letter was tabled until the supervisors have had time to study same.

Peter Uhl, Registered Surveyor, submitted his letter to Township Solicitor, Arthur Peters, stating that the cost for the research and survey work on the Liberty/Mahoning Township line, shall not exceed \$3,000.

Under New Business, letter was received from Mahoning Township Fire Board outlining their budget needs for 1989, they have requested raising the fire protection tax

from two to three mills, with the extra revenue being divided equally between the township's two fire stations, and held in the township's fire vehicle replacement account. Their letter will be reviewed at the upcoming budget meeting.

Alert Notice came from the Pennsylvania State Association of Township Supervisors urging townships to take action on Planning Code Bill 535. The bill would greatly impede township officials' future ability to plan for the growth of their communities.

Lycoming County Landfill submitted their new rates and operating schedule for 1989.

Workshop is being offered by the Department of Community Affairs on Road Maintenance: Liability and Signs. The seminar will be held in South Williamsport December 9, 1988 from 8:30 to 11:45 for anyone who wishes to attend.

Special budget meeting will be held Thursday, November 17, 1988 at 9 AM.

Mr. Hunter reported that he had received a request from Seda-Cog that they conduct a heat survey on the township building at no cost to the township, by motions of Mr. Earlston, seconded by Mr. Elmes, the supervisors agreed to have the survey done.

The next regular meeting for the township supervisors has been changed to November 22, 1988 at 6:30 PM.

Donald Hunter, Jr. explained that he had received a request to have "Slow Children Playing " signs erected or that something be done to slow down the traffic on Reedy Street. The supervisors will take the request under consideration.

Motion was made by Mr. Elmes, seconded by Mr. Earlston to authorize and approve the checks on the bill lists of November 4, 1988 for payroll and November 14, 1988 for the bills, also included in his motion was a motion to adjourn.

November 17, 1988

A budget workshop was held by the Mahoning Township Supervisors this morning at the township municipal building at 9:00 A.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

It was determined through the County Assessor's office that 1 mil would generate \$9,799 worth of revenue in 1989.

At the request of the Mahoning Township Fire Board, the supervisors increase the real estate tax 1 mill from the current 7 mills to 8 mills, this was done by motions of Mr. Earlston, seconded by Mr. Elmes. The extra mill will go toward fire protection, it will be divided equally between the township's two fire companies, and will be kept in the township's Fire Vehicle Replacement Account, also per their request.

The supervisors decided that the budget should be tentatively adopted at the next regular meeting, and should then be advertised for public inspection.

The new police cruiser is due in the 12th of December.

The board agreed to advertise for bids for the sale of the Street Department's 1972 truck with the plow.

Christmas bonuses were set at \$50 per person for all of the township employees, with the exception of the supervisors, who declined receiving bonuses, the Sewage Enforcement Officer will also be included in the bonus distribution.

Motion was made by Mr. Elmes to adjourn, Mr. Earlston seconded.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

William Earlston
Walter Elmes

Those also attending the meeting were:

Nelson Young
Arthur Peters

The minutes of the previous meeting of November 14, 1988 were approved by the board.

Nelson Young, Zoning Officer reported that the Planning Commission met November 14, 1988 and approved the transfer of 14 acres of land from Randy May to the Mahoning Township Municipal Authority, the Planning Commission recommended that the supervisors also approve the transfer, and by motions of Mr. Elmes, seconded by Mr. Earlston, they did so.

Motion was made by Mr. Elmes, seconded by Mr. Earlston to tentatively adopt and advertise for public inspection the 1989 budget. The 1989 budget includes a 1 mill tax increase for fire protection.

Motion was then made by Mr. Elmes, seconded by Mr. Earlston to authorize and approve payment of checks on the bill lists of November 18, 1988 for payroll and November 22, 1988 for the bills, and to adjourn.

December 12, 1988

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
William Earlston

Those also attending the meeting were:

Arthur Peters
Nelson Young
Mary Henrie

The minutes of the previous meeting of November 28, 1988 were approved by the board, and Treasurer's Report reflecting \$73,598.27 in receipts, \$29,559.51 in disbursements was accepted by motion of Mr. Earlston, seconded by Mr. Hunter.

The board heard from concerned township resident Mary Henrie about a problem concerning a 50 foot right-of-way between her property and the property of Mr. Paul Diehl. Ms. Henrie questioned whether or not she had the right to blockade the right-of-way, as she planted grass there and tries to keep it maintained, or if Mr. Diehl has the right to drive on it causing damage to same. Ms. Henrie's lawyer advised her that it was up to the township to resolve any problems over the right-of-way, however, our solicitor advised her that it cannot be resolved by the township as it is a separate civil action.

Zoning Officer reported fees collected of \$197 at a total value of \$117,000 for the month of November.

Under Old Business, the board was informed that all of the property owners adjoining the alley between Poplar and Pleasant Streets had given consent to having the township maintain the alley, a resolution for same will be prepared for adoption at the supervisors next regular meeting.

The board instructed Mr. Peters to advertise for adoption at the next regular meeting an ordinance establishing a stop intersection at Dochat's Alley and Willow Street.

It was reported that the liability seminar, recently attended by the supervisors, was one of the best workshops ever presented, plans for a similar presentation will be made for the township road crew and police department.

The board decided to review the current rates that are charged the township's Municipal Authority when work is done for them by the township. The final

decision on the rates for the coming year will be made at their next regular meeting.

Motion was made by Mr. Earlston, seconded by Mr. Hunter to make payment to Hawkins Chevrolet for the new township truck, which was received on Friday, December 9, 1988, and is in compliance with the specifications set up by the township. Payment will be made from the General Fund, along with 20% of the 1988 Liquid Fuel monies also going toward same. The supervisors will now request bids for the sale of the used 1972 Chevrolet C-20 Pick up. Sealed bids will be opened at the meeting on December 27, 1988.

Mr. Earlston motioned to authorize and approve checks on the bill lists of December 2, 1988 for payroll and December 12, 1988 for the bills, and to adjourn, Mr. Hunter seconded.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young
Arthur Peters
Tim & Katie Krum
Jack Curry
Kathy Linn, GMC Credit Union

The minutes of the previous meeting of December 12, 1988 were approved by the board.

Police Chief, Donald Hunter, Jr. gave his police reports for October and November and turned in monies from District Justice Geiger in the amount of \$1,516 for October and \$1,073.50 for November.

Letter of denial came to the supervisors from the Planning Commission on changing the zoning of the Tim and Katie Krum property from RSS residential to C-A Commercial Apartment, the commission wants to avoid "spot zoning". The supervisors suggested that since the credit union, which is proposed to be built there is a separate entity, and would generate revenue for the township, that the Krum's resubmit their plans, but instead of changing the zoning to C-A Commercial Apartment, they would request the change be made to Institutional District. The supervisors, by motion of Mr. Elmes, seconded by Mr. Earlston, requested that the matter be resubmitted to the Planning Commission, and that the change be to Institutional District rather than C-A Commercial Apartment. Kathy Linn, member of the Geisinger Credit Union Board of Directors said that she would be willing to come to the Planning Commission meeting or a public hearing and explain the credit union's plans and why they are in favor of this particular property.

Mr. Earlston motioned to pass the 1989 budget, Mr. Elmes seconded, their motion also included setting the tax rates at:

Occupational Priviledge	\$10 per year
Realty Transfer Tax	$\frac{1}{2}$ of 1%
Wage Tax	1%
Per Capita	\$3
Property Tax	5 Mills
Fire Tax	3 Mills, which is increased from 1988 by 1 mill.

Mr. Earlston motioned, and Mr. Elmes seconded passing a resolution stating that the township would maintain the sixteen foot alley between Poplar and Pleasant Streets, this would include snow removal and minor maintenance, however, any major repairs will be at the expense of the adjoining property owners.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to adopt an ordinance establishing the intersection of Dochat's Alley and Willow Street as a stop intersection.

At 6:45 bid on the 1972 Chevrolet pick-up, for sale by hte township, were opened, 15 were received they were as follows:

1.	Rick's Auto Sales	\$1,676.00
2.	Paul Diehl	\$1,110.00
3.	Michael Fluck	\$1,577.00
4.	David Decoteau	\$1,000.00
5.	David A. Nevius	\$ 505.00
6.	Limestone Mobile Concrete	\$ 875.00
7.	Daniel W. Diehl	\$1,750.00
8.	Dr. Gabriel Martyak	\$1,576.00
9.	Derl's Exxon	\$1,900.00
10.	Richard Jordan	\$ 888.00
11.	Brian Molter	\$2,500.00
12.	Matteo LoDuca	\$1,925.00
13.	Guy P. DeLong	\$ 905.00
14.	Paul A. Fisher	\$1,226.00
15.	Stanley Wydra	\$ 825.00

Motion was made by Mr. Elmes, seconded by Mr. Earlston to accept the highest bid from Brian Molter for \$2,500. Mr. Molter will be contacted to pick up the truck within seven days.

Motion was made by Mr. Elmes, seconded by Mr. Earlston to keep the charges to the Mahoning Township Municipal Authority at the same rate as they were in 1988.

Geisinger Medical Center requested signing and an ordinance establishing no parking on the north side of Red Lane beginning at the north zone parking entrance road and running 300 feet west. Marty Walzer of the Pine Barn Inn also requested parking be banned on Euclid Street, north of Bloom Street, leading to the Pine Barn Inn. Motion was made by Mr. Elmes, seconded by Mr. Earlston to have our solicitor draw up and advertise for adoption at the next regular meeting ordinances for same.

The reorganizational meeting was set for January 3, 1989 at 6:30 P.M.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to advertise for sale the township's 1982 police car, bids to be opened at the meeting of January 9, 1989.

The supervisors also agreed to put up for bid a surplus of hardwood they have had for a number of years at the township's metal building.

Motion was made by Mr. Elmes to authorize and approve checks on the bill lists of December 16th for payroll and December 27th for the bills, and also to adjourn, Mr. Earlston seconded.

Christine DeLong
Township Secretary

January 9, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald G. Hunter, Sr.
Walter R. Elmes
William G. Earlston

Those also attending the meeting were:

Nelson Young, Zoning Officer

The minutes of the previous meeting of January 3, 1989 were approved by the board, and Treasurer's Report for the month of December 1988 reflecting total receipts of \$25,649.40, disbursements of \$63,478.37 and fourth quarter interest posted at \$1,558.35 was accepted by motion of Mr. Earlston, seconded by Mr. Elmes.

Under Old Business, the supervisors motioned that an ordinance restricting parking be advertised for adoption at their next regular meeting. The ordinance would prohibit parking on the northern side of Red Lane commencing at the northwestern side of the Geisinger Medical Center North Zone Parking Lot and extending westerly along Red Lane a total distance of 316 feet from the point of commencement, and also on the western side of Euclid Avenue from Bloom Road to Willow Street.

The Pennsylvania State Association of Township Supervisors will hold their annual state convention April 23 to the 26th, 1989 in Hershey, Pennsylvania. Motion was made by Mr. Earlston, seconded by Mr. Elmes that all three supervisors attend.

Three separate seminars are being offered, the first is offered by RTAP, Pennsylvania Local Roads Program, and deals with Proper Signs and Signing on Local Roads, it will be held March 15, 1989 from 9AM to 3:30 PM at the Penn State Hazleton Campus. The second offered by DCA entitled Briefings on the New Tax Reform Legislation will be held in Shamokin Dam, January 26, 1989 in three different sessions: morning, 8:30 to 11:30, afternoon 1 to 4, and evening 6:30 to 9:30. The third, sponsored also by DCA offers training for Community Development Block Grant applicants, and will be held in Wilkes-Barre February 22, 1989 from 9AM to 4PM. By motion of Mr. Earlston, seconded by Mr. Elmes, the supervisors agreed that anyone interested in the aforementioned seminars, could attend.

Under New Business, Zoning Officer, Nelson Young gave his December 1988 report reflecting \$552 in fees collected and a total value of permits issued of \$297,700.

Mr. Elmes motioned to authorize and approve the checks on the bill lists of December 30, 1988 for payroll, January 9, 1989 for the bills, and also to adjourn, Mr. Earlston seconded.

January 23, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
Walter Elmes
William Earliston

Those also attending the meeting were:

Donald Hunter, Jr., Chief of Police
Arthur Peters, Solicitor
Nelson Young, Zoning Officer
Fred Stetler, Township Street Department
John Baylor, Township Street Department
Henry Eyer, Jr., Township Street Department,
and Outgoing Fire Chief 1987 & 1988
Bob Madden, Observing Township Meeting

Recognition awards were presented by the supervisors to George Grausam for thirty years of service as a firefighter, and to the Mahoning Township Police Department and Street Department for their years of service to the township.

The minutes of the previous meeting of January 9, 1989 were approved by the board.

Donald Hunter, Jr. gave his December 1988 report, turned in \$1,263.00 from District Justice Geiger and submitted his Year End Report for 1988.

Under Old Business, the supervisors, by motion of Mr. Earliston, seconded by Mr. Elmes, passed a resolution directing the Montour County Board of Elections to place the following question on the Mahoning Township Ballots at the next primary election on May 16, 1989. Do you favor the issuance of licenses to conduct small games of chance within the Township of Mahoning, Montour County, Pennsylvania?

By motion of Mr. Earliston, seconded by Mr. Elmes, the supervisors passed an ordinance restricting parking in two separate areas of the township. They are: 1) The northern side of Red Lane commencing at the northwestern side of the Geisinger Medical Center North Zone Parking Lot and extending westerly along Red Lane a total distance of three hundred sixteen (316) feet from the point of commencement. 2) On the western side of Euclid Avenue from Bloom Road to Willow Street.

By motion of Mr. Elmes, seconded by Mr. Earliston, the supervisors accepted the Deeds of Dedication for Timberwood Drive.

At 6:45 bids were opened for the sale of the used 1982 Police Car. Four bids were received:

1. \$395.00	John Moslock
2. \$567.00	George Boyer
3. \$75.00	Tyler Dewalt
4. \$331.00	Steve Bennick

Motion was made by Mr. Elmes, seconded by Mr. Earlston to accept the high bid of \$895.00 from Mr. John Moslock.

Henry Eyer, Jr., Fire Chief 1987 - 1988 gave his year end report, the supervisors thanked him for his years of service as Township Fire Chief.

Mr. Hunter said that he had received a request from Mr. Umbriac of Sidler Hill, to have repairs made to a ditch by his home. Mr. Young, Zoning Officer, will draft a letter to Soil Conservation to see what could be done to correct the problem.

At 6:55 bids were opened on the rough lumber the township had for sale. Two bids were received:

1. \$201.00
2. \$533.00

John Moslock
Robert Umbriac

Mr. Earlston motioned and Mr. Elmes seconded to award the sale to the high bidder Robert Umbriac for \$533.

Under New Business, letter came requesting that when the Post Office approves the changing of rural routes to named roads, a list of the roads changed within the township be forwarded to the Danville Area Income Tax Office to help them in coding tax monies to the proper taxing districts. Mr. Young will handle this matter.

Letter also came from DER informing local agencies that if they currently have an agreement, or plan to enter into an agreement with a person or firm to provide services relative to sewage enforcement activities under State Act 537, they should review the contract to assure that it contains an audit provision that obligates the person or firm to allow access to their records in the event of an audit of their Act 537 application submission. Mr. Hunter informed the board that this matter had been taken care of, as he had already spoken with the township's Sewage Enforcement Officer.

Mr. Earlston motioned and Mr. Elmes seconded, to purchase a box for the new township truck from Susquehanna Equipment Company for \$179.

Mr. Elmes motioned to authorize and approve the checks on the checklists of January 13, 1989 for payroll and January 23, 1989 for the bills, and also to adjourn, Mr. Earlston seconded.

February 13, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Walter Elmes

Those also attending the meeting were:

Nelson Young, Zoning Officer
Donald Hunter, Jr., Police Chief
Arthur Peters, Township Solicitor
Bob Davies of Geisinger Medical Center
Jeffrey Waldo, Geisinger's Legal Counsel

The minutes of the previous meeting of January 27, 1989 were approved by the board, and Treasurer's Report for January 1989 reflecting \$14,483.76 in receipts and \$52,154.47 in disbursements was accepted by motion of Mr. Elmes, seconded by Mr. Earlston. Mr. Hunter then requested that the Township limit it's spending until such time as the expected 1989 first quarter disbursement tax revenues are received.

Under Old Business, Nelson Young, Zoning Officer reported that he had received a response to his letter to Montour County Soil Conservation, concerning the Umbriac water run-off problem. The United States Department of Agriculture Soil Conservation Service recommends there are three courses of action, which could be taken to correct the situation:

1. Leave the channel and ditch in the present condition as it exists.
2. Reshape the channel and rock rip or install gabion baskets to stabilize the channel and banks.
3. Install an underground pipe from the point of present discharge and pipe it to the creek.

Under New Business, notice came from DER stating that as of January 10, 1989, all properties in Pennsylvania regardless of lot size will require a sewage permit. To prevent unneeded legal complications, it is vital that building permit officers do not issue building permits until proof of a sewage permit is shown by the applicant. Mr. Young informed the board that this is already being done in our township.

Montour County Conservation District will hold a multi-agency work session, Wednesday, February 22, 1989 from 10:00 A.M. to 12:00 Noon at the Montour County Court House, Danville, Pennsylvania. Mr. Hunter, Mr. Earlston, and Mr. Young plan to attend.

Zoning Officer's January report reflected \$945 in fees collected at a total value of permits issued of \$390,000. The fees collected for the month also includes the garbage collection permits for 1989. Mr. Young further reported that the Planning Commission met this evening to review a zoning change for Geisinger. The Planning Commission returned the drawings without comment. By motion of Mr. Earlston, seconded by Mr. Elmes the supervisors instructed Township Solicitor, Arthur Peters to advertise the matter for Public Hearing.

Motion Was made by Mr. Earlston, seconded by Mr. Elmes to have the township's Massey Ferguson mower repaired at an approximate cost of \$850, as soon as tax money becomes available.

By motion of Mr. Earlston, seconded by Mr. Elmes, the solicitor was instructed to advertise for material bids.

Mr. Elmes then motioned to authorize and approve the checks on the bill lists of January 27, 1989 and February 10, 1989 for payroll and February 13, 1989 for the bills, and also to adjourn. Mr. Earlston seconded.

Adjourned:

Christine DeLong
Township Secretary

DDENDUM

2/13/89

Directly following adjournment, Mr. Hunter read a letter addressed to the Supervisors from the Mahoning Township Auditors. The letter stated that they had audited the books of the secretary, Christine A. DeLong, for 1988, and found that Mrs. DeLong keeps an excellent set of books. Their letter commends her for the good job she does and recommends an increase in her salary.

February 27, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
Walter Elmes
William Earlston

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young
Arthur Peters
Terry Brofee

The minutes of the previous meeting of February 13, 1989 were approved by the board.

Nelson Young, Zoning Officer, reported that the Planning Commission had met back in December and approved the plans for Wayne Myers, Woodbine Place and Mahoning Terrace Shopping Center, they recommend that the supervisors also accept the plans. Mr. Elmes motioned and Mr. Earlston seconded approving same.

Donald Hunter, Jr., Police Chief read his January 1989 report and turned in \$832.50 from the District Magistrate.

The 1988 Liquid Fuels year end report was returned today, approved subject to Penn Dot audit.

By motion of Mr. Earlston, seconded by Mr. Elmes the supervisors readopted a resolution directing the Montour County Board of Elections to place the question "Do you favor the issuance of licenses to conduct small games of chance within Mahoning Township?", on the ballots of Mahoning Township at the next municipal primary election May 16, 1989.

Mr. Elmes questioned the status of the survey on the Liberty/Mahoning Township line, since our letter directing Mr. Uhl to proceed with the survey, nothing has been heard about this matter. Mr. Uhl will be contacted by phone for an update.

By motion of Mr. Earlston, seconded by Mr. Elmes, two patrolmen were given permission to attend an upcoming five day training seminar sponsored by the Attorney General's office for Task Force Departments. The seminar will be held in State College beginning April 10, 1989.

Motion was made by Mr. Earlston, seconded by Mr. Elmes to allow any or all of the supervisors interested to attend the upcoming seminars sponsored by DCA. The first, Administering Police Services in Small Communities, will be held in Wilkes-Barre, April 14, 1989 from 8:30 to 4:00. The second, Road Maintenance Workshop, will be held in Selinsgrove, April 7, 1989 from 8:30 to 4:00.

Bids were opened at 6:40 for bituminous materials. They were as follows:

Columbia Asphalt Corporation	ID 2A	27.11
	BCBC	22.65
	Stockpile	34.00
I A Construction Corporation	ID 2A	28.50
	BCBC	21.50±
	Stockpile	31.00

The supervisors took the bids under advisement to award at their next regular meeting.

At 6:45 stone bids were opened. One was received from Lycoming Silica Sand at:

2RC	3.10
1B	5.75
2B	4.40
3A	4.85

Motion was made by Mr. Earlston, seconded by Mr. Elmes to award the bid to Lycoming Silica Sand.

At 6:50 gasoline bids were opened. One was received from Leighow Oil Company at .663 per gallon, and by motion of Mr. Earlston, seconded by Mr. Elmes, the bid was then awarded to Leighow Oil Company.

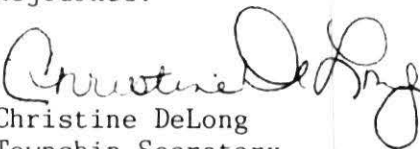

Mr. Elmes motioned, Mr. Earlston seconded the re-appointment of Chet James of Bloom Road in Danville, to the Zoning Hearing Board for another five year term.

By motion of Mr. Earlston, seconded by Mr. Elmes, Nelson Young was re-appointed to the Planning Commission for another five year term.

Some members of the public attended the meeting to discuss fire company business, however, they were informed that a meeting was being held this same evening at 8PM at the fire company to discuss fire company matters.

Mr. Elmes motioned to authorize and approve the checks on the bill lists of February 24, 1989 for payroll, and February 27, 1989 for the bills, and also to adjourn, Mr. Earlston seconded.

March 13, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young
Arthur Peters

The minutes of the previous meeting of February 27, 1989 were approved by the board, and Treasurer's Report for February reflecting \$57,872.01 in receipts and \$38,733.25 in disbursements, was accepted by motion of Mr. Earlston, seconded by Mr. Hunter.

Zoning Officer's report for February reflected \$350 in fees collected for a total value of permits issued of \$140,000.

Under Old Business, motion was made by Mr. Earlston, seconded by Mr. Hunter to award the bituminous materials bid to the lower of the two bidders, that being IA Construction Company.

Update on the survey of the Mahoning/Liberty Township line, according to Peter Uhl, surveyor, research is currently being done in Harrisburg on same.

Under New Business, DCA is offering a seminar in Wilkes-Barre, April 13, 1989 on Advanced Management for Municipal Secretaries. The township secretary requested permission to attend, and motion was made by Mr. Earlston, seconded by Mr. Hunter granting that permission.

Letter came from the Pennsylvania State Association of Township Supervisors stating that the State Association and the Pennsylvania Civil Justice Coalition will be conducting a series of meetings throughout the commonwealth with key members of the General Assembly to develop an effective grassroots campaign to bring about a reform of our tort system. They request that our board participate in that meeting, one which will be held in our area, the board will watch for when the meeting will be held.

Supervisor Elmes passed away on March 6, 1989, reporters questioned the board as to when a replacement for him would be named. The supervisors said that they have thirty days to appoint someone to fill the position, if they should fail to do so within the thirty days the appointment would then be up to the vacancy board.

Motion was made by Mr. Earlston to authorize and approve the checks on the bill lists of March 10, 1989 for payroll and March 13, 1989 for the bills, and also to adjourn, Mr. Hunter seconded.

Kenneth Woodruff
Jacqueline Woodruff
Kim Woodruff
Kara Woodruff
Robert Madden

The minutes of the previous meeting of March 13, 1989 were approved by the board.

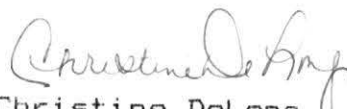

Donald Hunter, Jr. gave his February police report and turned in monies from the District Justice totalling \$1,189.50 for February.

Mr. Hunter resolved that Mr. Kenneth Woodruff, a republican of 205 Oak Street, Danville, Pennsylvania, be appointed to the board to fill the unexpired term of Walter R. Elmes, who recently passed away. Mr. Earlston seconded the nomination of Mr. Woodruff, and the secretary administered the oath of office.

By motion of Mr. Earlston, seconded by Mr. Hunter, the supervisors approved a request from Representative Ted Stuban to set up a Constituent Outreach Program site in the Township Municipal Building for approximately two hours every four weeks. Letter will be sent to Mr. Stuban's office advising him of the board decision.

Motion was made by Mr. Earlston to authorize and approve the checks on the bill lists of March 23, 1989 for payroll and March 27, 1989 for the bills, and also to adjourn, motion was seconded by Mr. Woodruff.

A special meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:00 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Also attending the meeting was:

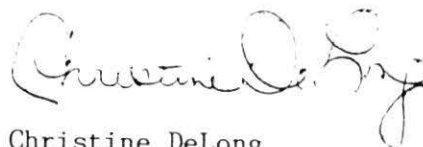

Nelson Young, Zoning Officer

By motion of Mr. Earlston, seconded by Mr. Woodruff, Mr. Woodruff was appointed to Roadmaster. Mr. Woodruff was also given the approval of the board to attend the upcoming Township Supervisors Convention, if he chooses to do so.

Zoning Officer Nelson Young reported that the Planning Commission had met this evening and approved the transfer of 3.862 acres of land along Woodbine Lane from the Greater Danville Area Industrial Development Corporation to an unknown party. By motion of Mr. Earlston, seconded by Mr. Woodruff, the supervisors also approved the land sub-division.

Mr. Earlston then motioned to adjourn, and Mr. Woodruff seconded.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 PM.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young

The minutes of the previous meeting of March 27, 1989 and April 3, 1989 were approved by the board and Treasurer's Report, reflecting \$7,437.49 in receipts, \$26,534.68 in disbursements and \$1,048.51 in interest, was accepted as read by motion of Mr. Earlston, seconded by Mr. Hunter.

Zoning Officer turned in his March report with fees collected totalling \$1,515.50 for a total value of permits issued at \$320,500.

Under Old Business the secretary reported that a George Diamond from Representative Stuban's office would be available at the Township Building, Wednesday, April 12th from 10 AM to 12 Noon, as part of a new constituent outreach program.

Mr. Hunter reported that he and Mr. Earlston had recently attended a seminar on traffic signs, and said that they are currently in the process of upgrading all of the township's traffic signs to be sure that they meet legal requirements.

Notice about illegally placing grass and other debris in township streams was placed in the paper after a stream was clogged with grass that had been placed in same. The supervisors inspected the area and spoke with several parties involved, those residents will remedy the situation.

Semi-annual road inspection was tentatively set for Friday, April 21, 1989 at 8 AM.

The next regular semi-monthly meeting of the board, which would be held Monday, April 24, 1989, was also tentatively for Friday, April 21, 1989 at 6:30 PM. The meeting was rescheduled due to the supervisors attending the State Convention April 23rd to the 26th.

Timberwood Homeowners Association requested that the supervisors inspected the remaining roads in their development for possible take over by the township. The supervisors requested that Mr. Young and Bryce James are also present at the inspection, no date was set for same.

Motion was made by Mr. Earlston, seconded by Mr. Hunter to authorize and approve the checks on the bill lists of April 7th, 1989 for payroll and April 10th, 1989 for the bills, and also to adjourn.

April 21, 1989

The regular four-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 8:30 P.M. (roll call).

Members of the Board present:

Donald Hunter, Sr.
William Earliston
Kenneth Woodruff

Those also attending the meeting were:

Donald Hunter, Jr.

The minutes of the previous meeting of April 10, 1989 were approved by the board.

Chief Hunter read his March report and turned in monies in the amount of \$2,363.50 from District Justice Geiger.

OLD BUSINESS: The supervisors reported that they had inspected Timberwood Drive and Overlook Drive today, to see what needs to be done in bring the roads up to meet the specifications of the township. Once all of the requirements are met, the township can consider taking over these two roads. Yearly annual road inspection was also completed by the supervisors today. From this inspection the supervisors will determine upcoming roadwork projects.

NEW BUSINESS: Letter was read to the board from Insurance Consultant, B.J. Blangrup of H.A. Thompson, requesting that the township supervisors consider an alternative to conventional liability insurance, a membership in the PIRMA (Pennsylvania Intergovernmental Risk Management Association) Liability Pool. The supervisors would like more information on the pool and requested that a meeting be set with Mr. Blangrup.

It was decided that Mr. Earliston and Mr. Woodruff would prepare specs for the sale of the township's 1962 Dump Truck for the next meeting, so that same could be put out for bid. The proceeds from the sale of the truck could then be used to purchase new cinder spreaders, as the old ones are in poor condition.

Mr. Robert L. Aurand requested that the supervisors erect a hidden driveway sign at the end of his driveway, which is close to the entrance of Carsinger. Mr. Hunter said that he would check into the matter with Penn DOT and get their opinion on the matter.

Motion was made by Mr. Earliston, seconded by Mr. Woodruff to authorize and approve the checks on the bill lists of April 21st for payroll and for the bills, and also to adjourn.

May 3, 1989

Public Hearing, to consider enactment of an amendment to the zoning ordinance, which would add five parcels of land to Geisinger's Institutional District, was held at the Township Municipal Building this evening at 5:30 P.M.

Roll Call:

Board of Supervisors

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Planning Commission

Dr. Harold Brown
George Robinson
James Connelley
Donald Love
Nelson Young

Those also attending the meeting were:

Robert Davies, VP Facilities, Geisinger
Jeffrey Waldo, Attorney for Geisinger
Mike Katerman
Yvonne Katerman
Mark Lloyd
Tom Gensemer
James Barbarich
Marty Hagenbuch
Mr. & Mrs. Gregory Reidinger
Mary Ann Fleck
Mary McConnell
Arthur M. Peters, Township Solicitor

Mr. Peters opened the meeting by reading the legal notice, and turned the meeting over to the Chairman of the Board of Supervisors, Donald Hunter, Sr. Mr. Hunter gave the floor to Robert Davies, Vice President of Facilities Administration for Geisinger Systems Services.

Mr. Davies, who presented Geisinger's future extension plans to the audience, said that at present Geisinger wants to erect a one-story structure to house their computer on one of the parcels of land near Red Lane, however, at present they have no immediate plans for

construction on any of the other parcels.

Mr. Young of the Planning Commission questioned as to whether or not Geisinger would extend Jade Street to meet Red Lane, as was called for in the original plans for that area, however, Mr. Davies said that Geisinger had no intention of doing same.

Jim Barbarich, Millwood Developer, said that he was concerned with land being lost for residential development, and the loss of tax dollars, to which Mr. Davies explained that Geisinger has not taken any properties off the tax rolls.

Rebuttal came from Mike Katerman, who took the floor, submitted photographs taken from Red Lane, and stated that he is concerned with what is happening to the Red Lane area: first, that it may loose it's residential characteristics, which was illustrated by the photographs submitted, and second, with the speed of vehicles coming from the parking lot on to Red Lane. He feels that Geisinger's intentions are good, but is concerned with what may happen in the future if their request is granted. Other neighbors reflected that same concerns as the Katermans, as far as not knowing what Geisinger would do with the other parcels of land in the future.

Dr. Brown then called the Planning Commission's meeting to order, and asked for their comments or recommendations on the matter. Mr. Connelley stated that he is concerned with the interests of the area's residents. He feels that the economic backround and expansion of the township can be attributed to Geisinger, and that as long as measures to preserve the interests of the area's residents were taken, he would agree with Geisinger's request.

Mr. Peters suggested that the Planning Commission, Board of Supervisors, and Geisinger work together to come up with acceptable guidelines to this amendment, at which time another public hearing would be held on this matter.

Christine DeLong
Township Secretary

May 8, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 PM.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Those also attending the meeting were:

Arthur Peters
Donald Hunter, Jr.
Helen Haas
Ethel Chatak

The minutes of the previous meeting of April 21, 1989 were approved by the board, and Treasurer's Report for April reflecting \$ 30,198.44 in receipts and \$31,393.88 disbursements was accepted by motions of Mr. Earlston, seconded by Mr. Woodruff.

Zoning Officer's report for April was submitted and read by the secretary in the absence of Mr. Young. Report reflected \$1,090.50 in fees collected for a total value of permits issued of \$616,500.

OLD BUSINESS: Motion was made by Mr. Woodruff, seconded by Mr. Earlston to advertise bids for the sale of the Township's 1967 Dump Truck, bids to be opened at the next regular meeting May 22, 1989.

Motion was made by Mr. Earlston, seconded by Mr. Woodruff to purchase police radios at a cost of \$1,570 with trade-in from Motorola, who sent in the low bid. One other bid was received from Dale Kuhn at \$1,884.

Mr. Peters was instructed by motion of Mr. Earlston, seconded by Mr. Woodruff, to advertise for adoption at the next regular meeting, an ordinance, which would allow the Township to join the municipal liability pool or PIRMA. Recently, the township supervisors met informally with their insurance agent, B.J. Giangulio of H.A. Thomson, who explained the advantages and savings the pool would offer. Mr. Giangulio also advised the board that their traffic light at the intersection of Academy Avenue and Bloom Road should be insured, the cost to insure same would be approximately \$1,200 per year. Mr. Peters agreed, and the traffic light will be added to the township's package policy.

NEW BUSINESS: Secretary reported that George Diamond of Representative Stuban's office would be available to the public, as part of the Constituent's Outreach Program, on Wednesday, May 10, 1989 from 10:00 AM until Noon at the Township Municipal Building.

Mr. Woodruff reported that he had received a call from Ira Gensemer concerning a water run-off problem on Maple Street. The Street Department will clean the ditch to correct the problem.

Township Sewage Enforcement Officer, Joe Kistner, made two requests of the supervisors first, that they pass a raise in his current fee schedule, and second, they employ a backup operator, Bob Duecette of Millville, who was recently certified, to handle some of the work load. The board took the request under advisement, until they and their solicitor have had a chance to review the matter.

Mr. Woodruff motioned, and Mr. Earlston seconded that the Township purchase a Johnson Directory at a cost of \$110 for the Police Department. The supervisors felt that the directory was a good source of information, and that other departments within the township could benefit from its use as well.

PUBLIC PARTICIPATION: Township residents, Helen Haas and Ethel Chatak requested that something be done about people curbing their dogs on their lawns, and other dogs running loose on their property. Mr. Hunter said that he would contact the Township's Dog Enforcement Officer about the problem, and another ad will be placed in the newspaper. The supervisors hope that this will correct the problem, however, if it does not, they might have to consider adopting an ordinance to alleviate same.

The supervisors gave Police Chief, Donald Hunter, Jr. permission to attend this year's Police Chief's Convention, Mr. Earlston motioned, and Mr. Woodruff seconded the motion.

Mr. Earlston motioned to authorize and approve checks and bill lists of May 5, 1989 for payroll, May 8, 1989 for the bills and to adjourn, Mr. Woodruff seconded.

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Those also attending the meeting were:

Donald Hunter, Jr., Chief of Police
Nelson Young, Zoning Officer
Richard L. Rodgers, Special Agent, F.B.I.
Roger W. Cronrath, Lieutenant, Lewisburg Penitentiary
George O. Wagner, Montour County District Attorney
Jay M. Berthelsen, Mahoning Township Police Dept.
Frederick E. Martin, U.S. Attorney's Office
Wayne P. Samuelson, U.S. Attorney's Office
WBRE-28 Eyewitness News

The minutes of the previous meeting of May 8, 1989 were approved by the board.

The Board of Supervisors read and adopted a resolution, as well as presented plaques and gavels to six honored guests present at tonight's meeting. These six individuals were recognized for the successful investigation, prosecution and conviction of those responsible for the tragic death of Lewisburg Penitentiary Officer, Robert Miller.

Bids on the sale of the township's 1967 Ford F-800 Dump Truck were opened by the township secretary in the absence of the township's solicitor. Seven bids were received, they were as follows:

1.	\$1,175	Charles Rine
2.	\$2,260	Cliff Johnston
3.	\$3,564	Wright Excavating
4.	\$4,676	John Jordan Plumbing \$1,000 Deposit
5.	\$2,700	Starrett Raup, Jr.
6.	\$1,050	Dorman's Home Improvement
7.	\$2,500	David Harvey

Mr. Woodruff motioned to accept the highest bid from John Jordan Plumbing at \$4,676, and Mr. Earlston seconded his motion.

NEW BUSINESS: By motion of Mr. Earlston, seconded by Mr. Woodruff, the supervisors adopted Resolution #22, which will transfer from state to municipal control 1.743 miles of Red Lane (S. R. 2010), with the effective date of transfer being December 31, 1989.

Motion was made by Mr. Earlston, seconded by Mr. Woodruff, to advertise first, the sale of the township's cinder spreaders, and second for bids on three new cinder spreaders.

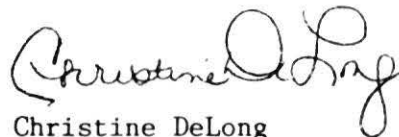

A reporter from the Press Enterprise began to question the supervisors on a totally

irrelevant matter, at which time the board informed him that he was out of order proposing these questions during a regular township meeting.

OLD BUSINESS: An ordinance which would enable Mahoning Township to join the Pennsylvania Intergovernmental Risk Management Liability Pool (PIRMA), was adopted by the board, Mr. Woodruff made the motion and Mr. Earlston seconded.

Motion was made by Mr. Earlston to authorize and approve the checks and bill lists of May 19, 1989 for payroll and May 22, 1989 for the bills, and also to adjourn, Mr. Woodruff seconded.

Adjourned:

June 12, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Those also attending the meeting were:

Donald Hunter, Jr.
Arthur Peters
Nelson Young
Mr. Woods
Mr. & Mrs. James Bower

The minutes of the previous meeting of May 22, 1989 were approved by the board, along with Treasurer's Report for May reflecting \$172,888.85 in receipts and \$42,289.94 in disbursements.

Zoning Officer Nelson Young gave his May report and turned in fees collected of \$696 for a total value of permits issued of \$502,300. Mr. Young also reported that the Planning Commission met this same evening at 5:15 and approved a land-subdivision for Paul Diehl, the supervisors also approved the subdivision.

Chief Hunter gave his May report and turned in April monies from District Justice Geiger totalling \$1,905.

A request for a rate increase for the Sewage Enforcement Officer, Joseph Kistner was tabled until the next meeting. Mr. Kistner is also requesting to have another person help him with sewage enforcement, but Attorney Peters suggested that the supervisors have only one person reporting to them.

Mr. Woods requested that a cap be put on local garbage men as far as the amounts they can charge their customers. He said that an extra bag of grass was costing him .50, however, without notice that same bag of grass jumped to \$2. Chairman Hunter said that he would check into the township picking up grass for the residents and charging them a certain amount for each bag.

James and Mary Bower attending the meeting to complain about

skateboards being ridden on township streets, and the eye sore of skateboard ramps in private driveways. Chairman Hunter informed the Bowers that at present there was nothing that would stop the kids from riding on the streets, however, he would look into the problem, and perhaps try to cover it in a new township ordinance.

Supervisor Earliston reported that he and some gentlemen from PennDot examined the township roads, and tried to record more miles of township roads on the State maps.

Motion was made by Mr. Earliston, seconded by Mr. Woodruff to authorize and approve the checks on the bill lists of June 2, 1989 for payroll, and June 12, 1989 for the bills, included in that motion was a motion to adjourn.

Adjourned:

Christine DeLong
Township Secretary

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Those also attending the meeting were:

Arthur Peters
Donald Hunter, Jr.

The minutes of the previous meeting of June 12, 1989 were approved by the board.

Police Chief, Donald Hunter, Jr. read his May report, and turned in \$1,798.50 from District Justice Geiger for May.

OLD BUSINESS: Mr. Woodruff motioned to trade two of the township's existing spreaders, and purchase two new spreaders from Bradco Supply. Mr. Earlston seconded.

Motion was made to accept the SEO rate increase, requested by SEO Joseph Kistner. Mr. Earlston made the motion, Mr. Woodruff seconded. Mr. Kistner will be informed of same. Attorney Peters wasn't sure if the change would be made by resolution or amendment, he will check into the matter and advise at the next regular meeting.

NEW BUSINESS: Mr. Earlston reported, once again receiving calls on people dumping grass clippings in township creeks. The supervisors requested that the Police Department, while on patrol, watch for people doing this, and if need be, enforce our ordinance against it. The supervisors have requested that Danville Borough allow them to deposit grass collected from township residents in the Borough's abandoned landfill, located in Mahoning Township, however, as yet they have not received a reply from the borough.

The supervisors agreed to purchase a used grader for the township Street Department. Mr. Woodruff made a motion, Mr. Earlston seconded to advertise for bids on same, just as soon as the specs can be drawn up.

Motion was made by Mr. Earlston, seconded by Mr. Woodruff to purchase a new Motorola radio for the Police Department for approximately \$2,000.

Motion was made by Mr. Earlston, seconded by Mr. Woodruff to authorize and approve the checks on the bill lists of June 16, 1989 for payroll and June 30, 1989 for the bills, included also in that motion, was a motion to adjourn.

Adjourned:

July 10, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

William Earlston
Kenneth Woodruff

Those also attending the meeting were:

Nelson Young, Zoning Officer

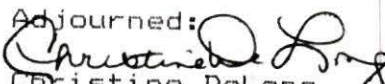

The minutes of the previous meeting of June 26, 1989 were approved by the board. Treasurer's Report for June reflected \$18,522.53 receipts, \$48,891.21 disbursements, interest posted at \$1,803.48, and was accepted by motions of Mr. Woodruff and Mr. Earlston.

Zoning Officer Nelson Young gave his June report which reflected total value of permits issued at \$165,570 and total fees collected of \$400. Mr. Young also advised that the Planning Commission met at 5:115 this evening and approved the land sub-division for Horrace and Florence Roeder, the Planning Commission recommended that the supervisors also approve same, as they did by motion of Mr. Woodruff, seconded by Mr. Earlston.

Letter came from Mahoning Township Authority requesting that the supervisors adopt an ordinance to stop property owners from installing heat pumps that drill wells, however, until some questions can be answered and the matter studied further, the matter was tabled.

Mr. Earlston reported that the cinder spreaders have been purchased and are ready for winter.

Mr. Woodruff motioned to authorize and approve the checks on the bill lists of June 30, 1989 for payroll and July 10, 1989 for the bills, and also to adjourn, Mr. Earlston seconded.

July 24, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 P.M.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
William Earliston
Kenneth Woodruff

Those also attending the meeting were:

Arthur Peters
Nelson Young
Donald Hunter, Jr.
Dr. James Curtis

The minutes of the previous meeting of July 10, 1989 were approved by the board.

Dr. James Curtis from the board of the Thomas Beaver Free Library accepted a donation for the library from the supervisors of \$1,000, however, there was a discrepancy as to the amount that was donated. Dr. Curtis was expecting \$1,500, the 1989 budget shows \$1,000 set aside for the library. The minutes from the meeting last year, when the supervisors pledged the donation will be examined to determine what amount was actually pledged. Further, Dr. Curtis thanked the board for their support and requested that they also consider the library in their 1990 budget.

Nelson Young, Zoning Officer asked the supervisors to consider reinstating their performance bond policy, which would require a developer to deposit into an escrow account held by the township, before obtaining final approval of a plan. Mr. Earliston motioned and Mr. Woodruff seconded his motion to reinstate the performance bond policy.

Donald Hunter, Jr. read his police report for June, and turned in monies for June from District Justice Geiger totalling \$2,463.55. He also thanked the board for allowing him to attend the 1989 Police Chief's Convention, which he found to be very interesting and informative.

OLD BUSINESS: Mr. Earliston motioned and Mr. Woodruff seconded to advertise for bids on a used grader for the township roadcrew, bids to be opened at the next regular meeting.

Mr. Peters reported to the board that he has taken under advisement and is currently working with the authority's engineer on the request from the Mahoning Township Authority that the supervisors ban drilling wells for heat pumps. He stated that other municipalities issue permits for any wells being drilled for record keeping purposes. The Mahoning Township Authority board members are concerned with certain types of heat pumps, which may pollute the Aqua Field. Mr. Hunter said that he felt that the authority's request was too broad, as there are several areas of the township that would not be effected. Until the matter can be further looked into, it will remain under advisement.

Mr. Peters commended Mr. Hunter for a job well done on his compilation of all the old township traffic ordinances into one traffic ordinance dealing with all moving violations. He said that he felt that the ordinance was ready to be advertised for passage. Mr. Woodruff motioned to advertise Notice of Intent to adopt the ordinance at the next regular meeting. Mr. Earliston seconded. Mr. Peters recommended that any ordinance for Geisinger also be incorporated.

Finally, Mr. Peters requested that the entire board be present at the Planning Commission meeting set for August 14, 1989 at 5:15, to review the plans for the "Woods of Welsh" development.

NEW BUSINESS: Mr. Woodruff motioned that a spreader be purchased and installed on Truck #3, according to the recommendations of Bradco Supply Company. Mr. Earliston seconded.

Mr. Hunter received a request for an ordinance to restrict parking to fifteen (15) minutes in front of Jim's Appliance on Bloom Road, he said that the existing sign in front of the store has no ordinance to legally restrict parking. Mr. Earliston motioned, and Mr. Woodruff seconded that an ordinance be prepared for same. However, Mr. Peters recommended that the ordinance be incorporated in the new township traffic ordinance, which will be advertised for adoption.

Another request, received by Mr. Hunter, came from residents on Bald Top, to extend the center yellow line on Bald Top Road from where it stops to the Mahoning/Liberty Township line, approximately 1 1/3 miles, for safety purposes. Mr. Woodruff motioned that the line be extended, and Mr. Earliston seconded the motion.

Mr. Woodruff then motioned to authorize and approve the checks on the bill lists of July 14, 1989 for payroll, July 24, 1989 for the bills, and to adjourn. Mr. Earliston seconded.

Adjourned:

Christine DeLong
Township Secretary

**Note: Per minutes of June 27, 1988, the supervisors motioned to donate \$1,000 to the Thomas Beaver Free Library in 1989.

August 14, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 P.M.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Those also attending the meeting were:

Donald Hunter, Jr.
Arthur Peters
Joan Sarisky

The minutes of the previous meeting of July 24, 1989 were approved by the board and Treasurer's Report for July reflecting \$25,530.69 receipts and \$30,729.21 disbursements was accepted by motion from Mr. Earlston, seconded by Mr. Woodruff.

Mrs. Joan Sarisky attended this evening's meeting to request help with a water run-off problem she and her neighbors have experienced since 1977 at their residences along Kaseville Road. Mr. Hunter was already aware of the problem, and has been seeking a solution. The board set a meeting to review the situation together, and await the recommendations of Montour County Soil Conservation.

Bids were opened at 6:40 on a used grader for the township roadcrew. One bid was submitted from Bradco Supply Company of Towanda in the amount of \$10,500. Mr. Earlston motioned to accept the bid, subject to inspection by the board, Mr. Woodruff seconded.

Zoning Officer's report for July, which was read by the secretary in the absence of Mr. Young reflected fees collected of \$691 for a total value of permits issued of \$501,500.

OLD BUSINESS: Letter came from Danville Borough Secretary, Thomas Graham denying the township use of the borough's landfill for their grass clippings.

Request to increase rates of the Township Sewage Enforcement Officer was tabled by motion of Mr. Woodruff, who requested more time to further study the matter, Mr. Earlston seconded his motion.

Supervisor Hunter noted that the center yellow line on Bald Top Road

was extended for safety purposes, and that the three cinder spreaders purchased by the township are installed and ready for winter.

NEW BUSINESS: Seminar offered by the Department of Community Affairs and Transportation exclusively for roadmasters will be held in Wilkes-Barre, September 26, 1989 from 8 AM to 3:30 PM. Mr. Earlston motioned, Mr. Woodruff seconded his motion that any of the supervisors wishing to attend, be able to do so.

Mr. Ferrari of the Danville School District requested that the board consider paying 1/2 the salary to hire a crossing guard for the Mahoning Cooper School, two hours per day at a rate of \$7 per hour. Mr. Earlston motioned to table the matter until the next regular meeting, Mr. Woodruff seconded.

The supervisors decided to hold an Open House the last Saturday in September from 1PM to 3PM at the Municipal Building. They feel it will allow township residents to become more familiar with the services offered by the township and township employees. Mr. Peters suggested having representatives from all township boards also available to meet the public.

Mr. Woodruff motioned to authorize and approve the checks on the bill lists of August 11, 1989 for payroll, August 14, 1989 for the bills, and to adjourn, Mr. Earlston seconded.

Adjourned:

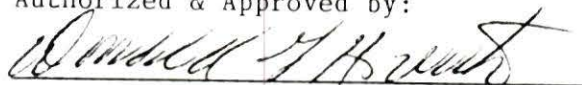

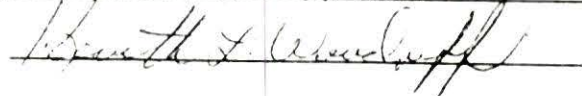

Christine DeLong
Township Secretary

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the Township Municipal Building at 6:30 PM.

Roll Call:

Members of the Board present:

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Those also attending the meeting were:

Donald Hunter, Jr.
Nelson Young

The minutes of the previous meeting of August 14, 1989 were approved by the board.

Police Chief, Donald Hunter, Jr. read his July report, and turned in \$1,172 from the District Magistrate.

OLD BUSINESS: Mr. Earlston motioned and Mr. Woodruff seconded to accept the rate increase for Sewage Enforcement Officer, Joseph Kistner.

Mr. Earlston then reported the grader the township purchased from Bradco Supply was delivered today, and was in order, he motioned the township accept the grader and payment for same be released, Mr. Woodruff seconded his motion.

The request from the Danville School District for a crossing guard at the Mahoning Cooper School was again tabled until our solicitor can investigate the matter further for liability purposes. Motion to table the matter was made by Mr. Woodruff, seconded by Mr. Earlston. The Supervisors then requested that until the matter can be resolved our Police Department make themselves available to patrol the area by the school in the morning and again at 3:30 in the afternoon.

NEW BUSINESS: The supervisors, by motion of Mr. Woodruff, seconded by Mr. Earlston, accepted the Deeds of Dedication for Laura Drive.

Also accepted, by motion of Mr. Woodruff, seconded by Mr. Earlston, was a resolution adding the following streets to the township road

map, which will increase the township's Liquid Fuels allocation:

Railroad Street Extension: From Academy Avenue to South Glenbrook Avenue.

Willow Street: From Euclid to Drexel.

Kingsley Avenue: From Locust Street to North Crestwood Drive.

Jade Street: From Oak Street to Crestwood Drive.

Schwab Avenue: From Bloom Road to Brook Street.

Lombard Avenue: From Oak Street to Locust Street.

Motion was made by Mr. Woodruff, seconded by Mr. Earlston to authorize and approve the checks on the bill lists of August 25, 1989 for payroll, August 28, 1989 for the bills, and also to adjourn.

September 11, 1989

The regular semi-monthly meeting of the Mahoning Township Supervisors was held this evening at the township municipal building at 6:30 PM.

Roll Call:

Members of the board present:

Donald Hunter, Sr.
William Earlston
Kenneth Woodruff

Those also attending the meeting were:

Nelson Young
Arthur Peters

The minutes of the previous meeting of August 28, 1989 were approved, and Treasurer's Report reflecting \$67,147.04 in receipts and \$36,455.32 disbursements was accepted by motions of Mr. Woodruff and Mr. Earlston.

Zoning Officer, Nelson Young read his report for August which reflected total value of permits issued to be \$5,000 and total fees collected of \$173.50.

OLD BUSINESS: Mr. Hunter reported that the township's new grader has been placed in use to do berm work on various township roads.

NEW BUSINESS: The 1989 Governor's Highway Safety Conference will be held October 27, 1989 at the Marriott Hotel in Harrisburg.

Mr. Woodruff discussed the possibility of the township making a dumpster available to township residents to dump unwanted items. The price of a 3-ton dumpster would be approximately \$125 per day with a dumping charge of approximately \$125. Mr. Woodruff then suggested that the board table the matter until he has a chance to research the matter.

Mr. Earlston motioned and Mr. Woodruff seconded approving payment of books and meals for the Chief of Police, Donald Hunter, Jr., while he attends FBI Training in Washington D.C.

The supervisors adopted a resolution to show their appreciation to Merck & Company for their decision to continue operations at their Cherokee Plant in Riverside. Mr. Earlston motioned and Mr. Woodruff seconded on the adoption of same.

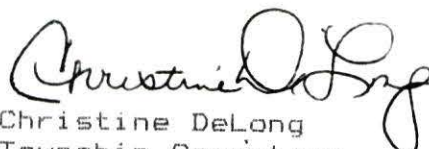

Township Solicitor was instructed to draw up and advertise for adoption, and ordinance which would make the area on the west side of Drexel Avenue from Pleasant Street 281 feet south to Willow Street a No Parking Zone.

Mr. Share of Sidler Hill, and former township supervisor, Webb Eyer, had a verbal agreement, in which he (Mr. Share) gave 8 feet of his property to the township. The township then installed storm drainage in this area, however, Mr. Share's deed had never been changed and still shows the 8 feet belonging to him. He is now requesting that the deed to his property be changed to show that the property belongs to the township. Mr. Huner and Attorney Peters will look at the area in question, to see if a survey will be needed before the deed can be changed.

Esther Zabitz of C.S.I.U. requested space in the township building for a tutor to meet with an adult student to teach them to read. This would be two days per week for approximately one hour. The supervisors requested that the secretary contact Mrs. Zabitz to see exactly what she has in mind, so that they can perhaps find some way to accomodate her.

Mr. Woodruff motioned to authorize and approve the checks on the bill lists of September 8, 1989 for payroll, September 11, 1989 for the bills, and to adjourn, Mr. Earlston seconded.
